

SAINT IGNATIUS COLLEGE PREP

**SELF-ADMINISTRATION OF ASTHMA MEDICATION PERMISSION FORM**

**-Policy Statement for Saint Ignatius College Prep**

Dear Parent/Guardian,

State Law requires that we inform the parents/guardian of the student, in writing, that the school and its employees and agents are to incur no liability, except in willful and wanton conduct, as a result of any injury arising from the self-administration of asthma medication by the student.

The permission for self-administered asthma medication is effective for the school year for which it is granted and must be renewed each school year. A student with asthma or other medical condition may possess and use his/her medication while in school, at school-sponsored activities, while under the supervision of school personnel, or before or after regular school activities. We recommend that you provide an additional dose of medication to be kept at school in the event that your child forgets or loses the medication.
