

**SAINT
IGNATIUS**
COLLEGE PREP
A Jesuit school founded in 1869.

LETTER OF AGREEMENT

We ask you to enroll your son/daughter at Saint Ignatius College Prep for the 2017-2018 school year.

The projected tuition for the 2017-2018 school year is \$18,500.00. A non-refundable deposit of \$500 will be billed to your March tuition statement. Full information on financial matters is available on our website.

We are reserving a place for your child. We will place him/her in the classes appropriate to his/her progress. This is a yearly process. There is no obligation or expectation for you to re-enroll your child or for Saint Ignatius to offer re-enrollment in subsequent years.

We ask you to familiarize yourselves with the student handbook that is passed out when school begins and work with us to see that its goals, objectives and norms are understood and positively responded to. To keep good order appropriate to a Catholic school educating young people to academic excellence and responsible behavior, we must insist on the norms of conduct described in the student handbook.

Our situation is this: many youngsters want to be admitted for freshman year or as transfer students. We want to accommodate them, if possible. Further, we make contractual commitments to teachers based on a full school. So we need to know whether your son/daughter will attend.

If you withdraw for any reason after July 1st, the beginning of our new fiscal year, we will hold you responsible for the first quarter of tuition - \$4,500.00. Subsequently, you will owe a quarter of tuition when your son/daughter begins each quarter, October, 2017, January, 2018 and March, 2018. Payment schedules are offered, but the full obligation for a quarter's tuition, \$4,500.00 is undertaken when your son/daughter begins each quarter. You are agreeing specifically to this.

We assume your permission to publish your child's picture in our publications. We assume your permission to take your son/daughter back and forth to sports activities and other regular events. If you want to restrict this permission in any way, you must write the Dean of Students.

WE AGREE TO ALL OF THE ABOVE
