## Academics

### Registration

Registration for the 2017-2018 school year is almost complete.

The Curriculum and Course Planning Guide for 2017-2018 is available on the Ignatius.org home page under "Quick Links."

If a student would like to register for a course which is not listed on the personalized sheet, he/she is invited to submit a request through a Google form. Mrs. Maloney will email the link to the form to each student. Department chairs, counselors, and Mrs. Maloney will carefully review each request. If the request is granted, the counselor will email a confirmation form to each student for a parent/guardian signature. If the request is not granted, counselors will meet with the student to discuss the situation. Parents are most welcome to join in this discussion.

Questions about the registration process may be directed to Mrs. Maloney at 312-432-8305 or [maura.maloney@ignatius.org](mailto:maura.maloney@ignatius.org).

## Classes of 2018, 2019, and 2020

We are excited to offer another college tour in June 2017. We are going to partner with EF College Visit Tours again to tour schools in the Northeast. This is a students-only tour which gives students an opportunity to get independently engaged in the college admissions process. Students will be on tour with at least one college counselor from our school. They will have an opportunity to visit many different archetypes of schools, figure out the "right fit," learn the college admissions language and understand the admissions process. It doesn't replace the family college tour experience but rather supplements it and gives students an opportunity to see more schools.
