Hosting an International Student

We recently received word from Kaunas Jesuit High School in Lithuania that a young lady wishes to attend Saint Ignatius as an Exchange Student for the 2017-18 school year. In order for us to welcome her, we must find a family willing and able to provide a home for her while she is here.

Emilija is seventeen years old and will be a junior next year. She has a wide variety of interests, especially music and political science.

If hosting this young lady is something you might be interested in pursuing, please contact Carole Manning at 312-432-8399 or carole.manning@ignatius.org for more information.

Wednesday, May 3
AP Exams (Physics 2,

On behalf of the Guidance and College Counseling Departments, we invite you to learn more about yourself - ***your interests, innate preferences and career interests*** - in order to make better decisions regarding potential colleges and your future.

Two easy steps:

1. Log into your Family Connection/Naviance account. In the "About Me" tab, complete "Do What You Are" (approx. 20 minutes) **and** the "Career Interest Profiler" (approx. 15 minutes).
2. Bring your lunch and iPad to a Lunch and Learn session during any lunch period on **Thursday, April 27**, in the College Counseling Department. **Tasty desserts will be provided!** Contact Ms. Shannon (elizabeth.shannon@ignatius.org) in the Guidance Department if you have any questions.

Junior Family Meetings: Please contact your College Counselor to set up a time to meet as a family. Students may not miss class for these meetings.

Classes of 2018, 2019, and 2020

LAST CALL: We are excited to offer another college tour in June 2017. We are going to partner with EF College Visit Tours again to tour schools in the Northeast. This is a students-only tour which gives students an opportunity to get independently engaged in the college admissions process. Students will be on tour with at least one college counselor from our school. They will have an opportunity to visit many different archetypes of schools, figure out the "right fit," learn the college admissions language and understand the admissions process. It doesn't replace the family college tour experience but

rather supplements it and gives students an opportunity to see more schools.

To view information regarding the college tour and/or to enroll, please [CLICK HERE](#).
